Dear Friends,

Over the past year, Action Ministries has mobilized thousands of volunteers across Georgia to make a life changing impact on our neighbors struggling with poverty. Because of your support we have served more people in more places than ever in our 54 year history...**THANK YOU!**

Many have given of their time; in serving a meal, packing a food box, helping a family move into a new home, or tutoring a child. Others have supported us with financial resources, making this important work possible each and every year. Your generosity changes lives by providing a meal, a place to call home, and books to help children improve in school. Look below at how you have helped us to make a major impact and give hope:

- ✓ More than 2,000 individuals and families now have a place called home, including hundreds of veterans
- ✓ Over 2 million meals have been served to eradicate hunger for children, the elderly, and families
- ✓ More than 22,000 children have had access to class instruction or books to read with their families

Your gifts of compassion and hope has made a difference to over 100,000 individuals throughout North Georgia, within Metro Atlanta, from LaGrange to Augusta, Rome to Gainesville, Athens down to Covington, and everywhere in between. I am honored to serve with you, and am excited about the possibilities that come with a New Year. Together we are working to Give Hope and end the suffering that comes with poverty.

This has been a difficult year for many across Georgia, and they need your help now more than ever. If you have not supported us yet this year, or have been blessed to provide an additional year end gift...it is not too late.

Help us continue to be a beacon of hope for those in need with a year-end gift of support today, by visiting www.actionministries.net/donate.

Serving together,
